Replacement Contact Lens Options

Most vision insurance plans cover only the initial supply (3-6 months) of contact lenses. After this initial supply, you have several options for replacement contact lenses before the expiration date (usually one year from the exam) of your contact lens prescription.

Method	Description	Cost	Advantages
Directly from our office	Come-by or call the staff. We will have your contacts waiting for you in a few days	<ul style="list-style-type: none"> - Same as initial lenses - Ask us about rebates (see below) 	<ul style="list-style-type: none"> - Pay when pick up with cash, check or credit card - No shipping or handling fees - Lenses available to “get you by” until new supply arrives
Online from our office	Use our website at www.BroadwayEyeCenter.com to link to our associated website at www.ReorderContacts.com	<ul style="list-style-type: none"> - 20% saving from initial supply - Competitive with other online or discount retailers 	<ul style="list-style-type: none"> - Anytime 24/7 ordering - Order with credit card - Lenses shipped anywhere (home, office or vacation) - No extra trips to our office
Online from website retailer	On their website, type in your prescription which they are required to verify with our office	<ul style="list-style-type: none"> - Comparable to our online www.ReorderContacts.com 	<ul style="list-style-type: none"> - Same as above
Discount Retailer	Drive to discount retailer and present contact lens prescription	<ul style="list-style-type: none"> - Comparable to our online www.ReorderContacts.com 	<ul style="list-style-type: none"> - Pay when receive lenses

Ask us about rebates: From time to time, rebates are available from some contact lenses manufacturers for certain brands of contacts. Often, these rebates do not apply to online or discount retailers.
